

The Young Ones and The Vets

To start the game Alex B-C opens the scoring for TYO&TV by placing his own rebound in the net! A few minutes later @Vinnie Landon made it 2-0 by burying another rebound in the back of net! Before the end of the period, their opponent scores one, closing the gap to one! A few minutes into the second SFTTR scores to tie the game at 2 a piece. Halfway through period @Benoît Delisle scores on a two on one making it 3-2 TYO&TV. However Antoine's team scores 2 goals to take lead after their captain pukes on the bench! But it does not matter since TYO&TV's players are on fire in the third! The young ones @Benoît Delisle, @Shannyn Johnson and @Jacob Schryburt all bury one goal each, to give the lead to TYO&TV! With one minute remaining SFTTR manage to get a goal to close out the gap, but come out short! TYO&TV wins
